

Dear sir

This letter is to express my interest in your posting on [larajobs.com](https://larajobs.com) for a Full Stack Engineer. With a Bachelor's degree in Computer Science and hands-on experience using PHP, MySQL, HTML, CSS, Javascript to create and implement software applications, I am confident that I will be an asset to your organization.

I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important to me and the success of your organization.

Your listed requirements closely match my background and skills. A few I would like to highlight that would enable me to contribute are:

- 4+ of industry experience in a software engineering role
- Strong Experience with PHP 5.\* & PHP 7.\*
- Strong Experience with Laravel 5.\*
- Strong Experience with VUE 2.\*
- Experience with Stripe
- Strong understanding of HTML, CSS, SASS
- Proficiency with a SQL based database (MySQL, PostgreSQL or SQLite)
- Proficiency with building and maintaining RESTful APIs

I've attached a copy of my resume that details my expertise and experience in software development. I can be reached anytime via my cell phone [+8801914433307](tel:+8801914433307) or via email at [smronju@gmail.com](mailto:smronju@gmail.com).

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Thank You.
